

Fireplaces Free standing

READY TO BE INSTALLED
IN ANY ENVIRONMENT.

**ALL WALL-MOUNTED,
BUILT-IN AND FREE-STANDING
FIREPLACES ARE APPROVED.**

Only models in Europe with
ERP2009/125/CE energy saving
certifications.

Operation based on the actual
temperature, thanks to the temperature
sensor and the thermostat and weekly
programmer. Compliance with updated
EU directives verified by an external
European certification company.
